It doesn't have any English signage. So it's kind of a not-very-well-kept secret.

Marrakesh is great. The food is wonderful and the dancer is amazing. It's a little pricy (food cost plus dancer fee) but very good.

Wear something you might not mind dropping food onto, since the plates are in the center and you may not be sitting as close to the food as you think you are.

Hush, you! Who gave you permission to talk about the price? It's none of her business.

Fear not on the wearing. I'm dressing you for this one, remember?

And since Mom is about to tell you to take Friday off, we'll have plenty of time in the afternoon for your hair.

"I wasn't even supposed to be here today."

Wasn't Wednesday supposed to be our weekend this week anyway?

Hey, at least we came in late. And Duke and Platypus took it seriously. Unless they show up after lunch.

I'm supposed to meet Platypus at the gym tonight. He was mumbling something about taking the cow out for a spin this afternoon.

I don't think we'll see him.

I am jealous.

Not of the food, but definitely of the dancer.

Sigh. I need to practice more.

Thank you
